Harvestville Farm is a family destination. All of our team members, no matter what position they are in, are expected to treat each other and our guests with friendly, courteous respect. Whether a staff member is serving food, supervising the play areas, working the corn maze, parking cars, or painting pumpkins, each staff member is expected to go above and beyond to take care of the needs of our guests. This spirit of family and hospitality is what Harvestville Farm is all about.

Most of our guest volume occurs in the late afternoon/evenings, weekends, and holidays. Seeking employment at Harvestville Farm means that you are committing to being available to work within those time frames. For those of you in school, we work hard to be flexible with extra-curricular school activities and sport schedules, however, please be aware that working at Harvestville Farm means you are making a commitment to be available. Finally, employment is for one season only. Those who worked the previous season are invited to reapply first.

I fully understand Harvestville Farm's expectations in seasonal employment and pledge that this application is completed accurately and completely to the best of my ability.
